## News Release

For Immediate Release: August 12, 2020

### **Water service restored to customers in Hanapepe. One lane road closure remains in effect until 6:30 a.m.**

HANAPEPE – The Department of Water (DOW) announces that water service has been re-stored to customers located on Hanapepe Road; from Kaumuali'i Highway to Hana Road, Pa Lane, Kona Road, Koula Road, Puna Road, Kuiloa Road, Hana Road, Pepe Road, Iona Road, Luka Place, Lea Lane and on Kaumuali'i Highway; between Iona Road and Puna Road in Hanapepe. DOW's contractor, Goodfellow Bros. Inc. has completed necessary improvements to a 12-inch main line on Kona Road and customers may resume normal water use.

The one-lane road closure remains in place near the intersection of Kaumuali'i Highway and Kona Road in Hanapepe, until approximately 6:30 a.m. The Makai side of Kona Road is also closed however, access to Kuiloa Road from Kaumuali'i Highway is available from Puna Road as the contractor concludes the work. Motorists are advised to please adhere to traffic control and drive with caution through the area.

Customers are advised that when the water main is turned back on, air and or existing sediment may be mixed into the water causing it to appear white or discolored. This is normal and if it occurs customers may flush water out from an outside hose bib until water is clear.

DOW thanks customers in Hanapepe for their patience and cooperation during the water service shutdown.
